

## List No. SB639

### APPLEBY SERVICE ITEMS

Circular Dry Lining Installation Box with 2 x 20mm Knockouts  
35mm

- Made from flame retardant thermoplastic
- Tough yellow nylon lugs have large bearing faces for superior strength
- Large flange around the front matches profile of accessory front plates and prevents slipping into the cavity
- 25mm base knockout plus 2 side cable entry points.
- Appropriate for fitting board thicknesses from 6.35-15mm

#### Product Specification Data

Revision Date: 25/02/2025

|                                 |                                      |
|---------------------------------|--------------------------------------|
| CE Conformity                   | Yes                                  |
| UKCA Conformity                 | Yes                                  |
| Mounting method                 | Flush-mounted                        |
| Shape                           | Oval                                 |
| Construction type               | Device connection box (round/square) |
